COMMON DISEASE
HERE DURING 1949****102 Cases Reported To The
Bristol Borough Board
of Health****3 CASES OF "POLIO"****All Milk Distributors Have
Installed Clarifiers Except
One Dairy**

Measles was the most prevalent reportable disease in Bristol during last year, when 102 cases were reported to the board of health by physicians. There were 20 cases of chicken pox, and eight cases of scarlet fever. The health of the community in general was good. There were three cases of poliomyelitis, one in January and two in November. There were 11 cases of dog bite and eight cases of whooping cough. Most of the diseases were reported in the months of January, February and December, the monthly record showing the following:

January, 40; February, 40; March, 9; April 11; May, 1; June, 4; July, 1; August, 6; September, 3; October, 2; November, 2; December, 46, making a total of 165 cases of reportable diseases having been listed with the health authorities.

Thirty-five sewer permits were issued; 52 restaurants inspected; and 12 milk distributors permits granted. There were 60 dairy inspections; 44 nuisances reported.

According to the records all milk distributors in Bristol have now installed clarifiers, with the exception of one dairy. The clarifier process of cleansing the milk is considered much more satisfactory than the filtering cloth method.

There has also been improvement in the sanitary conditions of the public eating and drinking places, but more is still desired by the health authorities.

The total number of diseases follow: Poliomyelitis, 3; diphtheria, 3; scarlet fever, 8; measles, 102; chicken pox, 20; mumps, 4; dog bite, 11; bronchial pneumonia, 1; tuberculosis, 4; whooping cough, 8; diabetes, 1.

**Student Council Group
Attends Meeting of PTA**

CORNWELLS HEIGHTS, Jan. 21—Vice president, Mrs. Robert Hoff, presided at the meeting of Cornwells Parent-Teacher Association, on Thursday evening, due to illness of the president, Mr. Barnhurst. The session was held in the high school auditorium.

Student council members present were: Victor Johnson, president; William Parr, vice president; and Violet Davis, secretary. Johnson gave a short outline of what is taking place in the student council and the school in general. He informed that the latest activity of the council was the purchase of a soft-drink vending machine, which has been installed in the hall at the high school. P. T. A. donated \$10 as a patron for the senior yearbook.

P. T. A. decided to care for notifying families of pupils of the insurance program within the school which provides compensation for member-pupils injured in the building or on the grounds.

A number of committeemen were appointed; and attendance banner went to Miss Bowers' second grade. On the 22nd of March, P. T. A. will sponsor a stage show, "Rip Van Winkle" in the high school auditorium. This will be given by a children's theatre group.

Communities****GLEANED BY SCRIBES**

Two passengers in a Newtown woman's automobile were slightly injured Wednesday when the car was involved in a collision with another car at the entrance to the Wrightstown Friends Meeting House on Route 413.

One car was driven by Mrs. Anna J. Smith, 82, of Newtown, who was accompanied by two friends, Mrs. John B. Heston, 78, and her daughter, Mary E. Heston, 54, both of Newtown RD 1.

According to State Police of the Doylestown sub-station, Mrs. Smith was making a left-turn into the Meeting House, when there was a collision with a car driven by Vincent E. Hanft, of Locust Lake Road, Mt. Herman RD 1, Blairstown, N. J. A front wheel of Mrs. Smith's car was knocked off. Her passengers, Mrs. Heston and daughter were treated at the offices of physicians.

PLAN SUPPER

A meeting of the Ladies Aid of Newport Road Community Chapel, was held Wednesday evening, in the chapel, with 19 members present. The meeting was opened with the singing of hymns. During the business session plans were made for a sauer kraut supper to be served from 5 to 8 on February 25. A social time followed. Refreshments were served by Mrs. James Egglinger.

A SUMMARY OF THE NEWS

The jury in the second trial of Alger Hiss on charges of perjury received the case at 3:10 p. m. yesterday after a 40-minute charge by Judge Goddard after several hours of deliberating its decision, which was expected to rest on the issue of belief in the testimony offered by Whittaker Chambers or the word of Mr. Hiss, the jury was locked up for the night at 10:45 p. m.

Judge Sylvester Ryan ruled that the Federal Government had enough evidence, apart from that obtained by wiretapping, to warrant the trial in Federal Court, starting next Tuesday, of Judith Coplon and Valentin A. Gubitchev on charges of conspiracy and espionage.

The request of the House Committee on Rules for restoration of its full powers to determine the course of legislation, which was considered a blow at Mr. Truman's Fair Deal program, was defeated in the House by a vote of 236 to 183.

**Keating Resigns Post
As Justice of Peace**

PENNDLE, Jan. 21—Joseph A. Keating, Bucks County prothonotary, has resigned his post as justice of the peace here. Mr. Keating has served as a justice for the past 20 years.

Keating also has given his resignation as chief custodian of the House of Representatives, Harrisburg, which position he held for seven years.

Keating, who at 21 was the youngest "J. P." in Bucks County, has resigned because his duties as prothonotary will require most of his time, he states. His headquarters, as prothonotary, are at the county seat. Keating is also president of Pennel borough council, and member of Bucks Co. Republican Committee.

**\$2500 FIRE OCCURS AT THE KILLIAN
GREENHOUSES, CORNWELLS HEIGHTS;
1,000 SPRING PLANTS ARE KILLED**

CORNWELLS HEIGHTS, Jan. 21—Fire early this morning damaged the Killian greenhouse, Odgen and Cornwells avenues, and 1,000 or more spring plants were killed either by exposure or smoke.

The blaze, it is believed, was due to debris near an overheated boiler igniting. The loss is placed at about \$2,500.

The fire was discovered at about 3:10 when the Killian family was aroused by the bell on the fire protective system. They went for aid to summon firemen. At about the same time the blaze was seen by a neighbor, Mrs. John J. Diamond.

There are two greenhouses on the place, which are connected. Damage was confined to the one greenhouse and boiler room, and the \$2,500 loss is where the fire was confined, and the damage to stock and glass broken by the heat. The stock consisted mainly of calla lilies, wax begonias and geraniums, being grown for spring selling.

Firemen from Cornwells Fire Co., No. 1, Union Fire Co., and Eddington Co., responded to fight the blaze. The low temperature handicapped the firemen somewhat as hose lines were coated with ice, as was also the surrounding ground which made footing dangerous.

DOYLESTOWN, Jan. 21—The Main street re-surfacing project in this borough is to be extended by the State Highway Department from Oakland avenue to the borough line at the south.

The improvement plans were displayed at a meeting of borough council this week, with Burgess George C. Butler explaining the same.

Announcement of the completion of the Main street resurfacing to the South entrance of town is the culmination of much effort put forth by the local street committee and the State department for some months.

The improvement will include widening of South Main street at several places, but not to any great extent. At the entrance to town on South Main street in front of the property of Ray Huber the widening plans will call for small damages, not to exceed \$250, the maximum estimate.

The complete resurfacing job means the addition of 2712 feet blacktop street over concrete, from Continued on Page Four

MOTORIST ARRESTED

LANGHORNE, Jan. 21—A Philadelphia man, Charles G. Landis, 23, of 600 block of W. Luzerne street, was arrested on a charge of failing to give the proper signal, following an accident on the super highway at Hulmeville avenue, at nine o'clock last evening. Landis was released upon payment of fine and costs when a hearing was held before Justice of the Peace Cooper, here. State Police claim the Landis car struck the side of a car operated by Eric R. Fetterolf, of 318 Bellevue avenue. Both cars were travelling east on the super highway, it is stated. Damage to the car was slight. No one was injured.

TELESCOPIC BLEACHERS****The Ceremony Takes Place
Between Games in High
School "Gym"****BAND RENDERS TUNES**

Between games on the high school court last night, the key to the newly-installed bleachers was given to the athletic council of the student body.

Harry McClister, director of athletics at the high school, opened the brief ceremony by introducing John Dougherty, president of the Bristol Borough School Board. In a few words, McClister stated that the bleachers are "another achievement in better athletic equipment in the Bristol High School." He gave most of the credit for securing the bleachers to Dougherty.

Dougherty presented the key to Jerry Bloom, basketball coach and a member of the advisory board. Dougherty told the fans that the school board hopes to provide the facilities to create a keen interest on the part of the students so that they may be proud of the school.

Dougherty's closing words were: "Keep up the interest in sports and other activities and the school board will keep it alive." Bloom said: "I am passing on the key to the rightful owners," as he gave it to James Morrell, who accepted it on behalf of the student body of the high school.

Morrell publicly thanked the school board and stated that the student body appreciated the efforts made to secure the bleachers and closed by saying: "We will take good care of them."

The band concluded the program by playing the Bristol High School "Alma Mater" song.

The bleachers were installed at a cost of approximately \$1500. They are telescopic and will seat 800 fans.

Literature day was marked by those affiliated with the Travel Club yesterday. On this occasion they were addressed by Dr. George Stokes, lecturer and biographer, and were given added enthusiasm for entering county and state creative writing contests by Mrs. Franklin Howes, of Pipersville, literature chairman of Bucks Co. Federation of Women's Clubs.

Mrs. Anthony Burton, chairman of the literature committee of the local club, introduced the guests. Mrs. Howes, in speaking of creative writing, expressed her opinion that "in this day of free access to radio and television programs, and literature in so many forms, we are continually on the receiving end of art." She added: "Sometimes we don't try our own hand in seeing what we can do ourselves. . . . We all have experiences, thoughts and emotions. To try to put them into writing is like canning—you preserve those experiences and thoughts to enjoy in the future."

WHEAT REVOLUTION

Little marked by those not directly concerned, a major revolution has come to pass in wheat production in the past five years. Four new, improved varieties of wheat, first introduced in 1944, comprised 72.5 per cent of the Kansas acreage in 1949, according to the annual report of the Kansas Wheat Improvement association. To that group belongs a large share of the credit for bringing about this remarkable transformation.

The new strains have meant dollars in the pockets of American farmers and reliable grist for the flour-producing mills. According to the association's study, three of the new varieties, Pawnee, Comanche and Wichita, increased wheat income last year by \$30,000,000. And though the 1949 crop was badly mauled by the weather the sturdy new types, including Triumph as the fourth, turned out acceptable flours.

This report indicates that Kansas has not lost any of the courage and farsightedness by which wheat, through the adoption of the hard winter variety, became the No. 1 staple of its economy 50 years ago, placing it in the forefront of all the states in wheat production. Research, education and the farmers' willingness to innovate have proved to be an unbeatable combination.

HOW CANADA DOES IT

Canada's budgetary record over the past five years looks much better than that of the United States. In fact, by comparison of the United States could not look worse.

For example, the United States had a deficit in 1949 and will have another at the end of the 1950 fiscal year on next June 30. During the last four years, including the current fiscal period, Canada has had an unbroken succession of surpluses. Counting in the \$90,000,000 excess of income over outgo expected this year, Canada will have paid off \$1,730,000,000 on the debt — about 13 per cent — in that time.

That isn't all of the story, either. Last year the Canadian government cut taxes for the fifth year running. For the first time since income taxes were instituted on the peoples of both countries, these imposts in Canada are much lower than in the United States.

And no vital Canadian government function has suffered. The Canadians seem to know how to handle a budget and what to do about a huge national debt. They make it a habit to balance the one and whittle away at the other.

This policy is paying off in greatly reduced taxes for the Canadian people. Canadians do not face the bleak prospect of being compelled to labor to pay ever increasing taxes until the end of their days.

New autos are described as having reached new heights of smoothness, but what worries auto salesmen is that they may be forced to emulate them if production continues at the present rate.

Miss Joanna F. Knight Is Wed To Mr. Louis W. Faber

CROYDON, Jan. 21.—At 11 o'clock this morning in the rectory of St. Thomas Aquinas R. C. Church, Miss Joanna Frances Knight, daughter of Mrs. Jennie Knight, Newportville road, became the bride of Mr. Louis W. Faber. The Rev. Joseph Diamond performed the ceremony, and the bride was given in marriage by her brother, Mr. Lawrence Knight, Pennel.

For her wedding the bride chose a gown of white tulle, made with a tight-fitting bodice and a sweetheart neckline, tight-fitting sleeves ending in points over the hands. Her full skirt was entrained. The finger-tip veil of imported illusion was edged in lace held in place with a plait of illusion with clusters of orange blossoms on the sides. White satin slippers were worn, and she carried an old-fashioned nosegay of white roses with an orchid center.

Miss Anita Rodgers was maid of honor, and Miss Janice Robbins was bridesmaid. They were attired in gowns fashioned alike, that of Miss Robbins being yellow and that of Miss Rodgers, orchid. Made princess style they were of tulle with tight-fitting bodice, square necklines, short cap sleeves and long bouffant skirts. Both wore gold slippers and short matching mitts. Their halos were of fresh 'mums' as were their bouquets. Miss Robbins had orchid-toned flowers, and Miss Rodgers' were yellow.

Mr. Faber was attended by Mr. Stephen Radovich as best man. Following the ceremony, a reception was held at the bride's home for the immediate families.

The bride's mother was attired in a tan crepe dress with aqua figures, brown accessories and a yellow rosebud corsage.

Leaving for her honeymoon, Mrs. Faber wore a navy blue tulle dress, red coat with black accessories. The orchid from her bridal bouquet was worn. Following two weeks' trip to Florida, the newly-weds will reside in their new home on Maple avenue, Maple Shade.

The bride, a graduate of Nazareth Academy, 1948, is employed at the Croydon Manor Bakery Shop. The bridegroom, who is the son of the late Mr. and Mrs. Louis Faber, Abington, Md., served in the Quartermaster Dept. of the U. S. Army for three years in both the European and Asiatic Theatres of War.

Today's Quiet Moment

By the Rev. Edward G. Yeomans
Pastor
Bristol Presbyterian Church

To Thee our loving heavenly Father we direct grateful and supplicant hearts. We thank Thee for the mercies of the week past. And now on the morrow as we would gather ourselves together in our respective places of worship, may we do so in the true spirit of praise and of worship. We would gather in Thy name and seek Thy blessing. Bless the preaching of Thy Word, may it bring comfort to the sorrowing, peace to the troubled, quietness to the vexed and guidance to the perplexed spirits. And may the grace of our Lord and Saviour, Jesus Christ, be and abide with us, both now and forever more. Amen.

The guest speaker was Miss Katrina Conway, assistant to the consumer relations department chairman of a well-known firm in New York, N. Y., took as her topic "The Romance of Modern Fabrics." She had on display a large number of celanese fabrics, and explained how they are made. She gave suggestions for the use of these fabrics in the home and in the wardrobe.

Mrs. Paul R. Sine gave an informal talk on Americanism versus Communism, and in this connection said Americanism is the soul of America and that Communism is eating the soul out of America. She asked that the people of America get together to solve these problems so that peace will prevail.

FINE DEFENSIVE PLAYING WINS FOR BRISTOL HIGH

Bristol High's fine defensive playing and setting up of scoring plays gave it a 30-23 victory over Palmyra High last night on the high school court.

The Warriors had to overcome the height of lanky "Bob" Foulke to set up their plays. Foulke, 6' 6" in height, broke up several plays but in the second half, Coach Bloom's proteges worked their plays so that the tall Palmyra center could not stop them.

Bristol's best scoring came with less than two minutes remaining to be played. The Warriors had but a three point lead when "Vic" Cauti, Frank Rich, and Marty Broom scored the convincing counters.

The tilt was tied on four occasions. Palmyra had the lead three times during the melee. The "Pals" took an early lead but Bristol came back strong once its scoring plays began to click.

It was 3-0 and four and one-half minutes had elapsed before Rich scored the first points for the Warriors, a fielder under the basket. Bristol had missed eight shots from the floor. Foulke, on a field and DeVece, a foul had given Palmyra the lead. DeVece's free shot made it 4-2 but "Howie" Grant deadlocked the count on a push shot. Pindar's foul put Bristol in the lead. A pass by Grant was converted into a field goal by Rich and a converted foul by "Vic" Cauti made the score 8-4 at the quarter.

Nebel whittled the lead to 8-6 at the start of the second quarter. Dinn dropped in a foul to cut the lead to one point. Pindar and "Charlie" Rauch scored twin-pointers and Cauti a foul to make the score 13-7. Foulke scored three fielders in succession for the Jerseys and when "Dick" Little made a foul, the score was knotted at 13-13. Rauch made a field cut and Little a foul. Cauti was good on a charity toss as the half-time score was: Bristol, 16; Palmyra, 14.

Both teams scored four points in the third period. DeVece deadlocked the count at 16-16 and Dinn dribbled the entire length of the floor to put the Pals in front, 18-16. Pindar tied it at 18-18 and just as the horn sounded, Cauti scored under the basket to put Bristol ahead, 20-18.

Pindar's foul made it 21-18 and he followed with another to add a point. Foulke scored a one-handed cut to the lead to 22-20. With four minutes left, Foulke scored but for Palmyra catching up.

It was Bristol's sixth win against three losses. Palmyra has now won five games and lost three. It did not beat Burlington as previously reported.

Rich was high for the Warriors with Foulke being high man for Palmyra. Bristol had a poor average from the foul line, making but eight out of 23 tries. Palmyra had 7 out of 16.

Cornwells Heights Man Given Fishing Award

The annual awards in the fishing contest of the Dover Fishing Club of Phila. were awarded recently. The winner of first prize in the cat fish class was won by Albert Freck, Cornwells Heights. This fish was caught in near by waters and weighed four pounds twelve ounces which is quite large for this section. Freck also had several other cat fish entered all over three pounds. He received honorable mention for a 35-pound whirly caught at Atlantic City, N. J. last summer.

Freck has been active in tournament casting for the past 15 years and he is always willing to help show beginners how to better their fishing technique, which in turn helps fill the creel.

High School Wrestlers Make Good Showing

The Bristol High wrestling team made a very impressive showing in a practice match with Lower Merion High yesterday. The entire ten bouts were close affairs.

Coach Harold Ferguson, of the Warriors, has made great strides with the local grunt and groan team and before the season is over intends to stage three matches here.

According to Athletic Director Harry McClistor, the opponents for the Bristol wrestlers will be Trenton Catholic, Lower Merion, and Cheltenham.

JUNIOR VARSITY LOSES THIRD TILT

Bristol Junior Varsity lost its third tilt of the season last night as it bowed to the Palmyra Junior Varsity, 37-28, in the first game on the high school floor.

Coach McClistor's team made a fine surge in the third quarter and came within four points of deadlocking the score on a fielder by Frank Lucenti. But "Ozzie" Hamelman broke up the spell by sinking in a two-pointer and before Bristol could muster another rally, Palmyra had too large of a lead.

"Larry" Ek was high scorer for the Jersey team with 14 points, with Lucenti and "Charlie" Brady being high for Bristol's Junior Varsity.

BOCCARDO ROLLS PERFECT 300 SCORE IN MATCH BOWLED ON THE ALLEYS AT RECREATION CENTER HERE

There were big doings in the Bristol Rohm & Haas Bowling League at the Bristol Recreation Center last night when Al "Kemp" Boccardo, of the Machine Shop Reds team, rolled a perfect 300 score in the final game of a match with the Colors team.

"Kemp" has been flirting with a perfect score for the past several seasons and many had predicted that he was soon due. As he threw the final ball for a perfect pocket, hit he got a great ovation from the crowd that had gathered to watch his final frame. He had bowled 190 and 175 in the first two games for a total of 665.

According to several old time bowlers present, this is the first

perfect score rolled on the Bristol Alleys. As the match was bowled in an ABC sanctioned league, Boccardo will receive a handsome ring from the American Bowling Congress beside a gift from the proprietors of the Alleys.

TWO GAMES TO BE PLAYED SUNDAY ON ROHM & HAAS FLOOR

BRISTOL BASKETBALL LEAGUE
Schedule for Tomorrow Night
TULLYTOWN — ROHM & HAAS
PROFY'S — FRANKLIN
(R & H Floor, 7:30 p. m.)

Standings

Profy's	Won	Lost
Tullytown	3	2
Franklin	3	2
Fifth Ward	3	2
Hibernians	2	4
Rohm & Haas	1	4

Two important games will be played tomorrow night as the Bristol Basketball League continues its schedule on the Rohm & Haas floor. In the opening tilt, Tullytown will play the Rohm & Haas team, starting at 7:30 o'clock. The second encounter pits the Profy team against Franklin A. C.

The Rohm & Haas team will have an opportunity of deadlocking for fourth place if it can beat the team sponsored by Lusitano Brothers, of Tullytown. The chemical mixers have won but one game in five starts while Fifth and the Hibernians have been successful in two out of six.

Tullytown must win in order to remain in a deadlock for second position. The boys of Coach Joe Napoli are slightly handicapped by the absence of Dick Anderson and Kenny Parr who are side-lined because of injuries sustained in an automobile accident.

The Profy team, unbeaten, will be trying for its sixth straight win against Franklin. The latter team is tied for second place and will attempt to be the league-leaders and make the standing more tightly bunched.

Wednesday night's schedule will see Fifth Ward meeting Franklin and Tullytown clashing with the Hibernians.

subject "The Pleasures of Creative Writing." He informed the women that "There is no magic formula for creative writing. Fine art is not a science. You can't give a formula and come up with a pre-determined product." He spoke of the "virtue and beauty" in the fine arts over the sciences, listing such as "the unknown, indefinable something—an esthetic value."

The guest reminded there is no set rules for creative writing. "Much depends on what you bring to the suggestion of creative writing." A valuable thing to keep in mind was listed as "designing your product for a given market," he pointing out the value of studying the magazine or publication for which the individual desires to write.

The King James version of the Bible was pointed to as "the perfect pattern for English prose, rhythm, and melody." The university faculty member went on to say that "if we want to write, we should know how the English language should be put together." Additional advice was: "Choose a good model. If you wish to become a novelist or writer of another type. Study the style and form of one successful in a given field, and thus build a solid foundation. We must be willing to come up step-by-step, point-by-point, in getting articles published.

The more you go to the poets for enjoyment and inspiration, naturally the more easily such creative work will come to you. . . . Write out of yourself." To give an example of this latter suggestion, Dr. Stokes read "The Snow Bird," a product of one of his pupils.

In conclusion the speaker reminded those interested in creative writing: "It's not what you say; it's how you say it."

Mrs. Burton gave a brief report on activities of the literature club, and stated that \$17.45 donated by members of that club will be turned over to Bristol public schools for purchase of children's classics.

Another contest announced yesterday was that regarding "Better Kitchens—Better Homes," with information presented by Mrs. George E. Boswell.

The business meeting was brief, with Mrs. Elwood Goslin presiding. Mrs. Michael A. Harrity, recording secretary, read letter of resignation from Mrs. Frank B. Davenport. Announcement was made that Mrs. Adolph Ancker, who has resigned as advisor to the Junior Travel Club, has been succeeded by Mrs. Harrity. Brief report was made by the president on the Thursday meeting of the executive committee.

Mrs. Paul D. Brown, education committee chairman, reminded that Library Day occurred on Jan. 17th, the anniversary of the birth of Benjamin Franklin, "The father of the American library."

Tea was poured by Mrs. H. Wesley Spencer and Mrs. Richard T. Myers.

Troop 46 held at the home of Mrs. Emily Fields on Tuesday. The third anniversary of the troop will be celebrated on March 16th. Families of the Scouts are invited to attend. The girls will solicit orders for cookies. A trip to Cornwells Fire Co. station, No. 1, is contemplated in the near future. Mrs. Robert Hoff was re-elected chairman of the committee. The chosen secretary-treasurer is Mrs. William Ervin. The next meeting will be at the residence of Mrs. C. Edward Hanson, Feb. 21st. Twenty-five were present at the meeting which Troop 46 held in the hall of Cornwells Methodist Church, Thursday evening. Miss Elizabeth Sargeant supervised work on a music appreciation badge. Recordings of various types of music were heard, and games played. Next week, Mrs. Benjamin Hughes, Jr., will give instructions for a cat and dog badge. Mrs. Emily Fields and Mrs. George Winch assisted Mrs. F. S. Lockard.

EDGELY

Miss Joy Reed and a friend spent Saturday in New York, N. Y., in celebration of Miss Reed's birthday anniversary. They attended the motor boat show and ice show at Madison Square Garden.

Resurfacing Project Is To Be Extended

Continued from Page One

Oakland avenue to the South entrance of town. The improvement will also include some much-needed additional storm-sewerage.

Council passed the necessary resolution—at the request of the State Highway Department—assuring the State that the borough will be responsible for the damages, if any, incurred at the Ray Huber property. The State is paying for all resurfacing.

The borough's new building and plumbing codes will be ready for approval at a special meeting on January 30. A special committee headed by Councilman Luther Nash, framed the new codes, after conference with local builders and plumbers. The new codes will be approximately the same as used in Abington township.

Other committee reports were submitted by Councilman Clemens, street committee, who stated that the street workmen were busy during the past month on sewer and water assignments. He also informed Council that his department is ready for any snow removal, when necessary.

Reporting for the water committee,

tee, Councilman Nash stated that a recent test of water showed the local drinking water up to the standards.

An ordinance is to be prepared for presentation at the February meeting, to provide rates for stand-by water service for local firms having sprinkler systems. The rate to be charged will be \$100 per year for six-inch pipe connections, and \$200 per year for eight-inch connections.

Council members also discussed the matter of billing for industrial, domestic sewer rentals. William H. Boardman, of Philadelphia, the borough's consulting engineer, said that the industrial rentals have never been properly enforced.

Councilman Nash, sewer committee chairman, was asked to discuss the rentals with the various local industries, and to submit definite rate plans at the February meeting.

One local plant, for instance, that paid \$150 rental every quarter now pays but \$37.50 per quarter, although the bill is sent for \$150. The plant does not use the sewer system to the extent that it previously did and, without consent of the borough, reduced its voluntary payments.

Council was informed that the reduction was "okay," but that a more business-like system is needed.
